

## WORKPLACE PENSION SUPPORT FOR NEW EMPLOYERS

Your workplace pension scheme.  
Your workers' futures.  
Your responsibility.  
**simpli-enrol; your peace of mind.**

So, you're a new employer. Pensions auto-enrolment affects you. Don't put it off or get it wrong.

Most UK employers must provide a pension arrangement for their workers. There's no getting away from it.

About to employ someone for the first time?  
Concerned about how you will be affected by pensions automatic enrolment?

- ▶ Are you about to employ someone earning over £6,150 a year?
- ▶ Are you about to employ someone earning at least £10,000 a year?
- ▶ Do you already have employees but no pension scheme?

If you answered yes to any (or all) of these questions, you will probably need to provide a workplace pension scheme and you need to act now!

**This is where we come in.**

Auto-enrolment into a pension scheme may be new to you but it's not to us.

Our simple but comprehensive **simpli-enrol** solution is our answer to auto-enrolment and pension scheme implementation for new employers.

Developed around the needs of our clients and our experience of helping them with their pension scheme design and implementation, it gives you everything you need, simply, quickly & efficiently. All for a simple fixed fee.

- Initial guide and information
- Assistance with scheme design
- Help selecting a pension scheme
- Guidance to set up the scheme
- Employee communication materials

We believe in simplicity. Pension provision shouldn't be complicated. Pension scheme management needn't be complicated. Our auto-enrolment and new scheme support is clear, simple and jargon-free.

**Welcome to simplicity.**

The government's initiative to encourage pension saving for all started in 2012. It affects every business and employer – even families employing a nanny!

**Do you know what you need to do? Let us guide you.**

**simpli-enrol** – we've already done the hard work so you don't have to.
